follow-up*

Dear Admiral Turner:

The Office of Drug Abuse Policy will be responsible for following up on the directives in the President's Message on Drug Abuse. A list of those issues which pertain to your department, and the dates set for completion, is enclosed. The completion date for those items which do not have a specific timeframe mentioned in the Message should be no later than December 2, 1977, for it is my intention to have a complete report on all the issues to the President before the end of the calendar year.

Please identify the staff person or persons who will coordinate the response for your department so that we can establish a liaison with members of my staff. My Deputy, Lee Dogoloff, will be the primary person for the Office of Drug Abuse Policy. He can be reached at 456-6594.

Sincerely,

Peter G. Bourne, M.D.
